

Boyne Place officially opened

Wednesday 15 July 2015 saw the official opening of Boyne Place, the new community meeting space on High Street in Langley Moor. The sun was shining for us and there was a good turn out from local residents to witness the cutting of the ribbon – which was cut by Bethany, a child from Langley Moor Nursery School, supported by the Chairman of the Friends of Langley Moor, Danny Bone.

2014 Christmas lights switch on a huge success

Once again we had a beautiful Christmas tree in our village. The light switch on' was carried out by The Right Worshipful The Mayor of Durham.

Both choirs from our primary schools, Langley Moor Primary and St. Patrick's were fantastic and we were treated with music from the fabulous band North Road. After the switch-on we were invited to The Boyne Play Pit for refreshments. Thank you to the people of our community who turned out in their hundreds to witness this amazing annual event for our village.

This year's Christmas Switch-On is going to be on **Date**. Check our noticeboard or website for details.

Langley Moor's first community Litter Pick – success!

The team met at 9.00am, 18 April 2015, and made excellent progress in two and a half hours! The volunteers collected 25 bags of rubbish from areas around the village – a fantastic team effort. If you'd like to get involved in our next litter pick you can get in touch via the website or our Facebook page.

Holliday Park Update

Friends of Langley Moor have been working hard with our Parish County Councillors to develop plans to refurbish Holliday Park in the village. As part of this we've proudly donated two wonderful new seats for the park. Located near the entrance in a wonderful spot the seats look great.

Reprotec have agreed to provide paint for the park fence, we need volunteers to help us paint it, if you are interested we would love to hear from you!
